CIRCULAR.

WE have the pleasure of now offering to our patrons our first list of Americana and Books published in Canada.

It represents the general character and variety of our stock in this department. There are a large number of works which we endeavor to keep constantly on hand, but these necessarily vary in price according to their condition and increasing scarcity. Our stock is constantly changing and very many books pass through our hands which are not catalogued, but sold as soon as secured, or to fill standing orders.

We have in some cases duplicates, yet of the largest number we have only single copies, and to secure these, orders must be sent at once.

Collectors and Librarians will find it to their advantage to send us from time to time lists of books wanted, as we have special facilities for the collection of books of this class.

Letters of enquiry will meet with prompt and careful attention.
